IT is a long time since we have had an Editorial, the main reason being that your Editor didn't feel that she had very much to say. But because of the many letters we received containing so many pleasant remarks about the News, we feel that we must thank you for your interest and co-operation in sending these good wishes our way. The News is only as interesting as the members make it by their contributions of news.

Thanks are due the past Executive for their help and particularly to the reporters who have been most conscientious. Also no words can measure or estimate the help that your Editor receives from Sister Mary Kathleen and Grace Murphy, who work silently behind the scenes.

And while we are in an Editorial mood, we would like to ask that pertinent question, "have you been at an Alumnae Meeting lately?" If not you've really been missing a worthwhile evening. The attendance at the meetings has been steadily rising and for the March meeting the Residence Auditorium was well filled. It was good to look around and see so many familiar faces and also so many new ones. The young graduates have been coming out in large numbers and this is very encouraging, the older members are coming

out too in larger numbers. The result is that the meetings are much more interesting, you really do see your classmates, and of late the speakers have added much to the evening.

THERE was a general feeling of satisfaction at the sound financial condition of the organization after the reading of the Treasurer's Report and particularly at the statement of the Scholarship Fund. The Executive of the past years, especially, watch that Fund with a warm glow of satisfaction for they remember the days when it started out at scratch and it was nip and tuck as to whether the Fund would see through the year. It has been an excellent investment for some of the best workers and loyal Alumnae have returned to work hard for their Alma Mater after taking post graduate study. All in all, we would say that, if you haven't been at a meeting lately, you are in for a pleasant surprise.

At the present time we have the largest paid-up membership that we have enjoyed to date; there are 624 members and 28 honorary members. Total 652. The incoming Executive for 1948, should have a successful year. Congratulations and welcome to our new president, Lois Huck, '43, and a hearty vote of thanks for a job well done to our past president, Veronica Murphy, '40.

ALUMNAE MEETING

The December meeting of St. Michael's Hospital Alumnae was held on December 9th, Miss Veronica Murphy, presiding.

The minutes of the October Meeting were read and approved.

The Treasurer's Report was given by Miss Doreen Murphy showing a balance in the General Fund of \$1,138.84 and in the Scholarship Fund of \$1,152.61.

The Report from General Registry was given by Norah Corrigan and showed that 358 calls were not filled during the previous month. Registry fees were to be collected annually in January.

Grace Murphy gave her interesting report on Nursing Education.

The report from the Local Council of Women was given by Ethel Crocker.

Miss G. Ferguson, who convened the Fall Dance gave her report which showed a net profit of \$358.90. The amount was deposited to the credit of the Scholarship Fund. A hearty vote of thanks was given Miss Ferguson and her committee for the success of their undertaking.

New Business

For a social evening to be held after Christmas, Miss Marie Evers agreed to act as convener with Miss Gwen Ferguson assisting her. It was proposed by Miss Corrigan and seconded by Miss M. Regan that the conveners arrange their own date for the dance.

Miss Louise Bart, '41, agreed to convene the Tea and Raffle to be held on April 3rd, in the Assembly Room of the Hospital, proceeds of which will go to the Scholarship Fund. Miss Anne Marie Quigley is assisting.

It was moved by Mrs. H. Martin, and seconded by Mrs. Casey, that \$50.00 be donated to the Holy Father's Fund for the Children of Europe. This motion was carried.

It was moved by Miss G. Murphy and seconded by Mrs. A. Romano that in an effort to keep the addresses of the Alumnae members up to date, that addresses be obtained at special times and that Sister Mary Kathleen be approached regarding the appointment of nurses as officers for their own class.

Miss G. Murphy moved that Christmas cards be sent to Staff members and retired Staff members. Mrs. H. Martin seconded this motion.

It was moved by Miss N. Doyle and seconded by Miss D. Murphy that the meeting be adjourned.

Dr. Welsh gave an excellent talk on newer advances in Surgery and the Alumnae members had an opportunity to hear and meet their new Chief of Staff.

Refreshments were served and the door prize was won by Bertha Ryan.

PUBLIC HEALTH

Dorothy MacGillivray, '37, of the Red Cross Hospital, Englehart, Ont., was a recent visitor to Toronto. Dorothy was one of the guests at a luncheon given in honour of the matrons of the Outpost hospitals in connection with the Regional Staff Conference.

Mrs. Paul Richer (Madonna Hurtubise) is doing public health work with the Timmins Health Unit.

Many St. Michael's nurses were present at the Annual Bridge of the Alumnae Association of the University of Toronto School of Nursing, held in January.

The Retreat for Public Health Nurses held at Marian Hall was a success although the number attending was not as large as was anticipated. Tentative plans have been made for a similar retreat at the same time next year. Watch for the announcement.

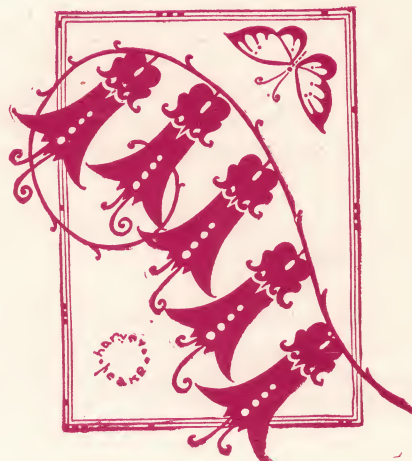

Florence Conlin has returned to the City Health Dept. and is back on the job in the Health Service at St. Michael's.

Mary Ann Griffin, '44, of Brisbin, New York, was a recent visitor to St. Michael's. Mary Ann is doing field work in connection with a public health course.

Mary Beattie, '45, is now at the Grant Hospital, Chicago, taking a course at Loyola University, Chicago.

A Refresher Course entitled "The Nurse and the Family" was held at the School of Nursing, University of Toronto, on February 27th and 28th. There was a large attendance from the various branches of the public health organizations of the province and city.

HERE and THERE

Mary Willsher and Mary MacIntosh are now at the Herbert Reddy Memorial Hospital, Montreal, Quebec.

A. M. Leona Costello is now doing general duty at St. Paul's Hospital, Saskatoon, Sask.

Rosemary Lee, '47, is now at her home in Humberstone, Ont.

Mrs. Mary Mulcahy Campbell, '37, has been Night Supervisor at Ottawa Civic Hospital since last April.

It was good to see "Gibby", Madeline Gibbons, at the recent Alumnae meeting. Gibby comes to town from Acton for the evening . . . paging other Alumnae members who live in nearby Whitby, Oshawa, Agincourt, Hamilton . . . take a leaf from Gibby's book.

Lucille Ryan, '45, is now located at Chesley, Ontario.

Welcome home to Louise Harkin and Lillian Moore, both of the class of 1900, who have returned from New York to retire. They were given a warm welcome at the March Alumnae meeting.

ENGAGEMENTS

Catherine McAuley, '29, to Robt. Burroughs. Wedding to take place in May.

Valeda Brisbois to Gary Scale. Wedding plans indefinite.

Lucille Regimbal, '46, to George Hannigan. Wedding planned for June.

Ruth Barlow, '46, to Thomas McCullough. Wedding plans indefinite.

Elizabeth Cauley, '46, to Leo MacGillivray. Wedding plans indefinite.

Ann O'Leary, '47, to Wm. Walsh. Plans indefinite.

APPOINTMENTS

Adeline Cooney is now Chief Matron of Tobique Hospital, at Plaster Rock, New Brunswick.

Congratulations to Marie McEnaney of the Department of Public Health Nursing, City of Toronto, who has been appointed Consultant on Mental Hygiene for the Department.

The appointment of Miss Z. Kieffer, as Director of Public Health Nursing for the City of Toronto will be of interest to the many St. Michael's nurses engaged in Public Health Nursing. Miss Kieffer has been assistant to the late Miss Elsie Hick-ey.

Marian Pallett, '38, is now at White Horse, Yukon, and Marjorie Bird, '35, has returned from White Horse and is located at Chorley Park, Toronto.

Congratulations to Velma Burbridge of the class of 1924. Velma who is the state district supervisor of nurses for New York, has been loaned as Supervisor of Nurses to the Rensselaer County Department of Health. Velma at one time was industrial hygiene nursing consultant with the Vermont State Department of Health and prior to that was a member of the Henry Street Visiting Nurse Service in New York.

Joy Sims, '46, is doing floor duty at St. Joseph's Hospital, North Bay, Ont.

Florence Roach, '31, is now Matron at the Westminster Hospital, London, Ont.

Dear Norma:—

Enclosed please find my Alumnae Fees for 1948. I have been up here since June and really like it a great deal. My best to all at St. Michael's in the New Year. I should love to hear from any who would care to write. I should also be very pleased to have the News forwarded to my new address. Sincerely,

Dear Doreen:—

Please find enclosed my Alumnae fees for 1948.

It is 10 years since I came to Rochester and much water has gone under the bridge since I left St. Michael's. I am still in hopes of some day returning and renewing acquaintances and friendships. My husband is Professor of Physiology at the University of Rochester and my little boy is 3 years old. I hear from Sadie Adie Atkinson and keep up with some of the news. I would be glad to have the addresses of Kay Zeagman and Cordulla Meehan Lehance if anyone has them.

My best wishes to all at St. Michael's and particularly to Sister Jeanne.

Sincerely yours,
Irene Armstrong Kochakian '34

AN INTERESTING BOOK**Three Centuries of Canadian Nursing**

This is a 500-page book of the history of nursing in Canada. The authors, John Murray Gibson and Mary S. Mathewson, R.N., B.S., have produced a very readable and well illustrated text. Our readers will find references and illustrations of our own School.

This book is published by MacMillan & Co. of Canada, who are allowing nurses a 20 percent discount. It retails at \$4.00 a copy so if you are thinking of obtaining a copy, you would be wise to buy it direct from the publisher.

NURSES NEED SECURITY

(This paper was given by Mrs. French of the Manufacturers' Life Insurance Co. at the District No. 5 meeting of the R.N.A.O.)

TO-DAY we find most classes of workers security-minded and nurses, who have been taught self-sacrifice from their first days of training, have become aware that they must also plan future security.

Insecurity causes worry and fear of the future if we are getting near retirement age. We know a good school of nursing needs to be assured of an adequate and stable income; that it needs to be placed on a sound economic basis in order to function at its best. So, too, must nurses have their affairs placed on a sound economic basis if they are to function at their best.

In building future security two things are important; first, to have an objective and a plan to reach it and, secondly, to understand money and how it gets its value. When we receive our pay cheque, that piece of paper is valueless until we exchange it at the Bank for dollars. Those dollars represent the value of the work we have done. We have turned our energy, thought, and experience into dollars to give us food, shelter and clothing, the common requirement of all people.

While we are young and earning money, this problem is a simple one, but, unfortunately, our earning power wears out and, as a result, we find many nurses of sixty, who have not saved consistently, reduced to menial work.

It is important, therefore, to save some of our dollars in a safe place where they are guaranteed to come back to us as life income. If we plan at age twenty-five (approximately two years after graduation) to consistently save One Dollar and Fifty-five Cents each week, we will have guaranteed for life from age 60 an income of Twenty Dollars per month or a lump sum of \$4,000.00. However, if we need a lump sum of money at an earlier age, we have access to the money which we have saved (This is important to a woman), or convert to a different schedule of payments to be received as income.

This Guaranteed Plan can be bought with an Insurance Company. Canadian Life Insurance Companies have functioned under most adverse conditions our country has known, with complete protection to each policyholder. So you can feel your investment is safely handled.

When you buy Insurance it is important to know just what you are buying. Get a good agent and discuss your needs. You need a plan which sets up the most perfect source of income for you, personally. Don't buy a Twenty Payment Life if it is a Twenty Year Endowment you have in mind. 20 Payment Life is a Policy on which the face amount is payable at death and upon which premiums cease at the end of twenty years. It has a cash value at that time considerably less than the face amount. A Twenty Year Endowment Policy is one upon which the face amount of the Policy is payable in the event of death during the twenty years or to the life insured if living at the end of twenty years. The premiums are payable throughout the twenty year period.

You may also buy additional income through your Company if you are an Industrial Nurse and your Employer has a Pension Plan for employees. This is deductible from taxable income for Employer and Employees. If you are a hospital staff nurse and your hospital has a Pension Plan for employees (and hospitals are taking this way of providing security for the staff), the employee deducts her portion of Plan from takable income. Private duty nurses must build their own security as they have no employer.

We all feel that Canada is the best country in the world; certainly Canadians are the most Insurance-minded people in the world. Let us remember that the dollars we use to buy Insurance, when invested in turn by the Insurance Companies, are helping to build Canada and make it a better country in which to live and work.

It has been the policy of the Alumnae to send Christmas remembrance boxes to the sick members. The Committee in charge this year was convened by Bernice Quilty LaFontaine. The careful planning and selection of items was much appreciated as evidenced by the many letters received. The following are but a few of those received.

Royal Edward Laurentian Hospital,
3674 St. Urbain St., Montreal, Que.

To all the members of St. Michael's Nurses' Alumnae:—

Dear Mrs. LaFontaine:

May I take this opportunity to thank you and each member of the Alumnae for their lovely box of gifts at Christmas, that you kindly sent to my husband's home, where I had hoped to be able to spend Christmas.

Last May I was discharged from London Queen Alexandra Sanitarium and came to Montreal to relax and convalesce. However, in August, I suffered another hemorrhage from my lung and have been here ever since. At present, I am feeling fine and am hoping that the New Year will bring some decision. At present they are contemplating a pneumonectomy. Following this, I suppose I will be going to the Sanitarium at St. Agathe des Monts.

If you have any of the Alumnae News around I would certainly appreciate them, as the past two and a half years have kept me out of circulation and I feel that I know very little of the activities going on. If there are any would you send them to my husband's address, 5157 Trans Island Ave., for I'm sure I'll be here several months anyway.

Thanking you one and all again for your gift and your past kindness to me and hoping you will have a Very Happy New Year.

Sincere regards,

Mary Murphy Strang, '36

St. Teresa's Unit,

January 5th, 1948

Dear President and Alumnae Members:

The lovely Christmas box from our Alumnae was a real joy. Thank you all. It was a pleasure to look at and contained so many useful articles.

I enjoyed Mrs. Lafontaine's call when she delivered it in person. I do appreciate being remembered as life narrows down, especially when one can't go about as usual and sometimes 'tis a bit lonely.

Again, my sincere thanks and best wishes to all our members for a Happy New Year.

Yours sincerely,

Elizabeth Regan

Presentation Convent, Cathedral Square,
St. John's, Nfld., Jan. 10, 1948

Dear Mrs. Lafontaine:—

It was very kind of you to remember me so generously at Christmas. I was indeed agreeably surprised and confess that I actually experienced a feeling of genuine delight on opening each individual package.

Please thank the members of the Alumnae for me and say that I still cherish pleasant memories of my training days and very often visit you all in spirit. In fact, St. Michael's is frequently "quoted" around here with occasional emphasis on the class of '38.

I told Sister M. Kathleen how much I enjoyed the NEWS. I really look forward to each publication and read it with interest. Keep up the good work!

My prayerful good wishes to you all for a peaceful, prosperous New Year.

Yours sincerely in J.C.,

Sister M. Felicita

Montreal, 34, Quebec,
January 29, 1948

Dear Doreen:—

Enclosed please find my Alumnae fees, my copy of the News was a timely reminder.

Please note my change of address. I am living with a French family teaching English (and incidentally, learning French) to a 14-year-old boy and a 20-year-old girl. It is quite an interesting appointment as I am not able to take a nursing position, probably for a few more months. I suffered a bout of arthritis last July and the blustery winter weather does not deal kindly with me. Sincerely,

Aileen Riordan, '21

Dear Fellow Members:—

This is a delayed thank you but a very sincere one. Written words cannot express how much your remembrance of me meant. Your gift brought me back and very close to you as it was my first Xmas in Hospital with the Sisters and student group since I left St. Michael's.

Many of my nurse friends, all from different Schools, agreed it was the nicest and most carefully selected packaged gift that they had seen. The wrappings too, came in for their share of praise.

I do appreciate your thought of me; it was something special that stands out in a time like this and strengthens the good feelings of belonging to that grand group of women, St. Michael's nurses.

Please remember me to all my friends and to you all, a Happy 1948.

Sincerely and gratefully,

Anne C. Creede, '23

R.N.A.O. MEETING

District No. 5, R.N.A.O., meeting was well attended by St. Michael's nurses. It was held in the Royal York Hotel on Monday, Feb. 23rd. The day's business culminated in the annual banquet at which Dr. Charlotte Whitton, C.B.E., was guest speaker, and her subject was "Nursing in a Changing Social Structure." Dr. Whitton proved to be a dynamic speaker, who held her audience completely. All in all, it was a very successful meeting. The programme convener was our own Grace Murphy and we were happy to see her at the head table.

Miss Anna Schwarzenberg has resigned as Executive Secretary of the International Council of Nurses, a position she has held since 1933. Many St. Michael's nurses will remember hearing Miss Schwarzenberg when she was a guest speaker at the R.N.A.O. banquet in 1946 and perhaps had met her when she visited St. Michael's at that time.

MARIAN HALL

WHAT is Marian Hall?—A spacious, pleasant house in Lawrence Park, with comfortable accommodations for twenty-five persons.

WHY is Marian Hall?—It was opened in November, 1938, to provide a place of women's retreats and days of recollection. It is highly approved by his Grace, the Archbishop.

WHEN is Marian Hall open?—It is open for your inspection almost anytime. Mid-week retreats, week-end retreats, days of recollection, etc., may be arranged at anytime throughout the year.

WHERE is Marian Hall?—It is 181 Dawlish Ave. The entrance is at the side. Dawlish Avenue crosses Mt. Pleasant Rd. Take the Eglinton bus at Yonge St., going east and getting off where Dawlish and Mt. Pleasant meet. Then go east to 181.

HOW to arrange a Retreat? — The Catholic Women's Retreat Association holds retreats almost every week-end. Phone the Registrar, Margaret Grant, LL 6770, and she will be glad to make the necessary arrangements. Further information may be secured from Miss Flanagan, at Marian Hall, MA 1472, or the Spiritual Director, Jesuit Seminary, 403 Wellington St. West, AD 1927.
